By signing this form, I confirm and consent to the following:

- I have read and understood the participation document, or it has been explained to me.
- I agree to share my name and contact details so that a St Giles worker can arrange a time to meet with me in person or have a telephone call.
- I agree to share some information about myself (age, gender, ethnicity) so we can analyse our data set.
- I agree for my practitioner to share my RAG code so we can analyse our data set.
- I can ask to withdraw my data within three weeks of my interview (or group session) and do not need to explain why.
- My referral information and attendance may be shared with practitioners and stakeholders.
- Text and audio recordings will be made, and the audio deleted within 14 days.
- My data will be safely stored and pseudonymised for privacy and made anonymous at the end of the study.
- Pseudonymous or anonymous contributions may be used in publications.
- The same consent and data rules apply to both 1:1 and group sessions and I must sign and date a separate consent form for each session.
